FROM THE SUPERINTENDENT'S DESK

WELCOME TO CORSICA-STICKNEY SCHOOL-- 2015

It is with great anticipation that I welcome everyone to the newest school district in the state of South Dakota. Corsica-Stickney School District 21-3, established officially on July 1, 2015, looks forward to providing students excellent academic opportunities with expanded curriculum and up to-date technology.

The Staff has been very busy this summer moving and getting the school buildings and materials ready for students. The one constant we seem to face in society today is change. With that in mind, we accept those challenges that change presents and hope to make the most of the opportunities for the students of Corsica-Stickney.

The decision to combine the Corsica School District and the Stickney School District into the Corsica-Stickney School District was overwhelmingly supported by the people of Corsica and Stickney. We hope that as this new Corsica-Stickney District begins to build a unique identity, you will continue to support the students and staff.

Lastly, I wish to encourage the students to take advantage of the opportunities their communities and school are providing. Each student should look at what is offered in curriculum and choose an academic path that best prepares them for their career choice.

I hope that years from now, the 2015-16 school year be looked back upon as very special and memorable year for the Corsica-Stickney Jaguar community.

Scott Muckey, Supt.
Corsica-Stickney Schools

Welcome Back!

It's hard to believe that another school year will be starting again! With the total consolidation of Corsica and Stickney schools this will be a year of change and adaptation and new adventure for us all.
