Lost & Found

There are several items in the lost & found box in the Elementary Office. If your child is missing a sweatshirt, water bottle, hat, glove, etc. please stop in and have a look through the box.

Veteran's Day Programs

We will be having a program at the Stickney campus at 10:00am and one at the Corsica campus at 2:00pm

Winter is Coming

As we enter the winter weather season the following is where to find information on Corsica-Stickney school day changes in case of weather. The first notification systems to get the change about the school day is KELO-TV and KSFY-TV. Using the internet you can log onto <http://www.keloland.com> and check the school closeline or just watch the scroll lines on both of these TV Stations. The school will also attempt to notify parents/guardians by the telephone and email via the School Messenger System." Other Stations notified will be Q107/KOOL98/ KMIT/KDLT/WNAX.

Just a reminder as the weather turns colder to please have your children dressed appropriately for the current weather. Our recesses are generally outside, so on cold days they will need hats, gloves, scarves, boots and coats, etc.

In the case where there is a 10:00am start, there will be NO breakfast served that day and if it is a Pre-school or Little Stars day there will NOT be MORNING classes for them.

Yearbook Info

Corsica-Stickney yearbooks will be on sale starting Friday October 21st until November 4th. The yearbooks will cost \$35. If a student would like to print their name on the book cover the cost is \$40. Students in grades 7-12 usually order their books at school. If an elementary student or adult would like to purchase a book feel free to call the Corsica-Stickney High School at 946-5475 or email Tina Strid at tina.strid@k12.sd.us. Yearbooks are expected to arrive in August 2017 and they will be distributed at the beginning of the school year.

The yearbook staff appreciates the businesses in both communities that have supported the yearbook by purchases in the past. We will be sending out letters for ads to businesses again this year. If you do not receive an ad letter by November 1st, and would like to place an ad please feel free to email myself at the address above or call the Corsica-Stickney High School. Again, we appreciate the generous support of the community and businesses.

Fire Safety Week

The Stickney Volunteer Fire Department visited the Elementary school again this year giving talks, letting students try on the firefighting equipment and checking out the fire trucks.

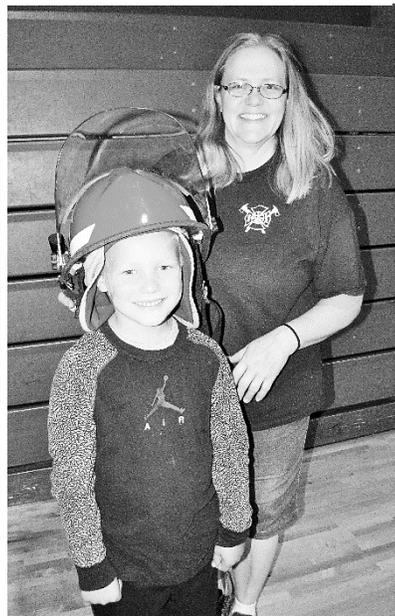

Ben Matzner posing with the first grade class.

Ben Matzner in full gear posing with some of the first graders.

Pastor Dan & Norvil Dykstra answering questions from the students. Trying on some of the equipment.

Stickney Firemen answering questions on the fire truck equipment.

Pastor Dan assisting students on the inner working of one of the fire trucks.

Cherie Savage instructing volunteers on the *Stop, Drop and Roll* procedure.

The Corsica-Stickney Oral Interpretation Team

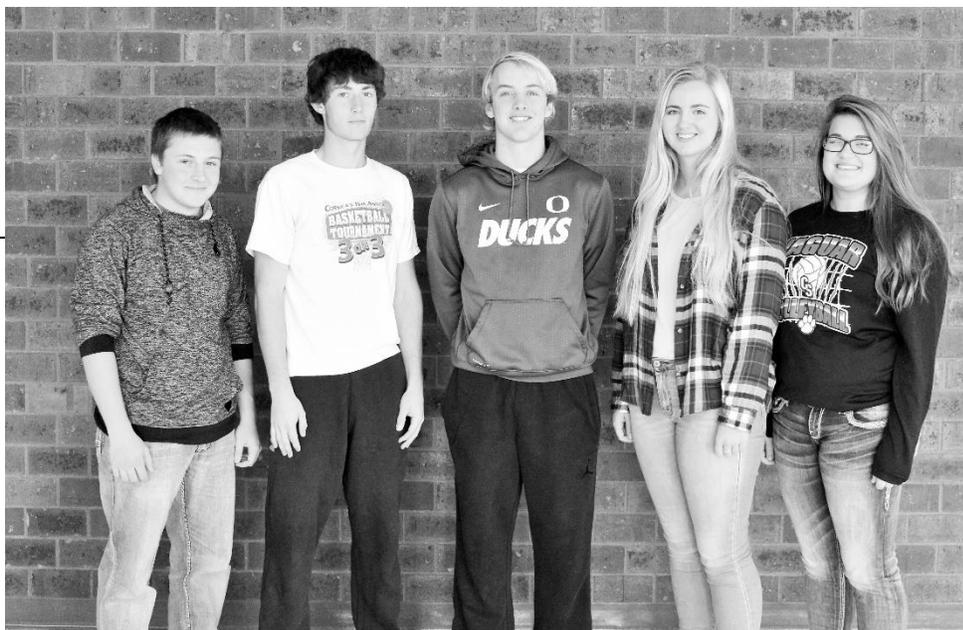

We placed second overall at the CBH Oral Interpretation contest that was held on October 11 at DWU.

Seventh grader Megan Strid placed 6th in Poetry and third in Oratory. Seventh grader Colin Pennings placed 6th in Humorous. Eighth Grader Corbin Van Zee placed 2nd in Oratory. Seventh graders Jacob Woerner and Emily Wehri as well as eighth graders Kassidy Watters, Taryn Rexwinkel, and Corbin Van Zee placed 4th in Reader's Theatre under the direction of senior Keeley Rexwinkel. Freshmen Jenna Bamberg and Carly Lagge placed 5th in Duets. Sophomore Christian Clairmont placed 6th in Serious Prose. Junior Cameo Irwin placed 5th in Serious Prose. Sophomore Christian Clairmont and senior Alyee Weerheim placed 2nd in Duets. The District tournament will be on November 2nd.

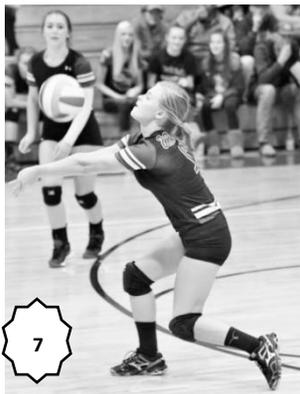

Quiz Bowl Team

C/S High School is once again participating in the quiz bowl. Our members this year are Sam Schumacher, Landon DeBoer, Clayton Menning, Hannah Matzner, and Keeley Rexwinkel. Following is a link to the website with the brackets if anyone wants to follow our team: <http://www.q107radio.com/quizbowl/bracket/>. Competition begins on Oct. 17th vs. Wessington Springs. The Championship rounds will be held at the Pepsi Cola Theatre of Performing Arts in Mitchell on January 4, 2017.

Let the Music Move You

The Music Department is in full swing preparing for the upcoming Christmas Concerts. Mark your calendars as you are not going to want to miss this year's programs, our own dynamic duo, Mr. & Mrs. Davis, have some exciting things planned. The 7-12 Concert will be held in Corsica on November 29th at 7pm. The Elementary Concert will be held in Stickney on December 1st at 7pm.

3rd Graders Ghost Jars

What do you get if you take an old quart jar, a little tape and some white paint??? Ghosts of course! Mrs. Koch's class painted jars to create some scary ghost projects in art class. Add a tea light and they're ready for Halloween!

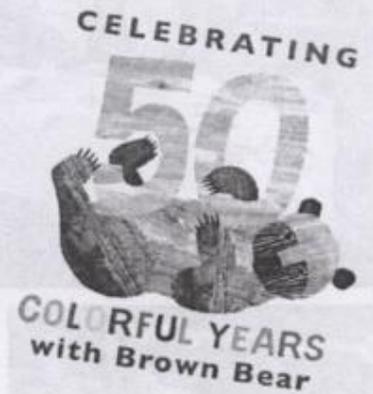

2nd Graders Pumpkin Jars

Mrs. Hosman's 2nd Graders painted old jars orange and transformed them into cute Jack-O-Lantern decorations for Halloween. Insert a tea light and they're ready for a twinkling treat.

1st Grade- Brown Bear, Black Bear

Fifty years ago, Bill Martin Jr. and Eric Carle collaborated on their first book together, *Brown Bear, Black Bear, What Do You See?* Since then, *Brown Bear* has become a favorite for generations. The first grade class found many more books in their classroom that were written and illustrated by Eric Carle. Mrs. Guenther also let us borrow her collection. We ate Teddy Grahams and sang "We're Going on a Bear Hunt". Below is a pic of the first graders that brought a variety of Teddy Bears to school to celebrate the 50th Anniversary of *Brown Bear*! (not pictured is Lexi Gerlach).

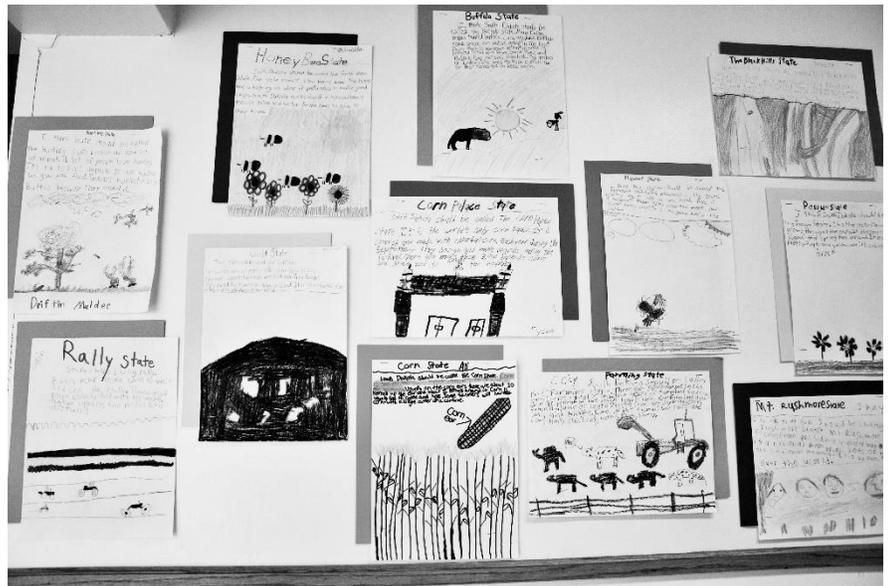

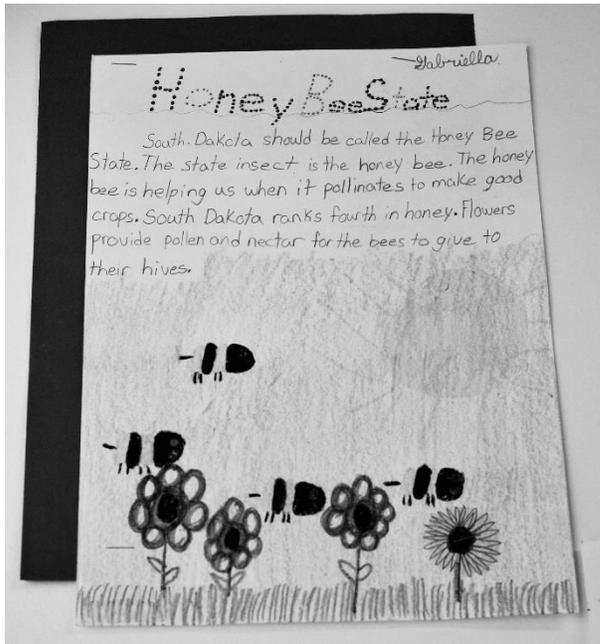

Below: Guidance Counselor, Mrs. Slaba had the students make posters about friendship and how to be a good friend and reduce bullying.

PUMPKIN Patch

Book buddies in Grades 2 & 6 took a trip to visit the pumpkin patch and pick out their favorite pumpkins.

4th Graders were challenged to think of a new nickname for South Dakota. After brainstorming possible names, each student chose a nickname, did research, and made a poster explaining their choice. It was very interesting to see the various ideas they came up with along with drawings to go along with their new nicknames.

Below is a sample of the cute spiders and their webs that the 4th graders made in art class.

Whatever Floats Your Boat

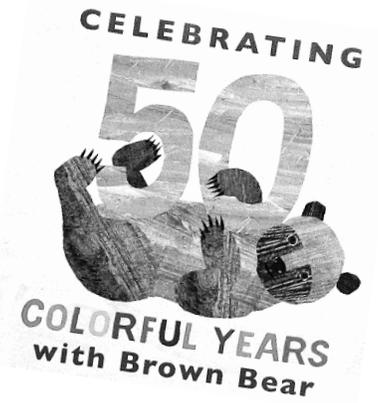

5th Graders Make Boats

What things do you need to consider when making something float? Those were the questions that the fifth grade students needed to answer as they created a raft made from clay. Coming up with an idea of what it should look like, but actually making it float with pennies inside was a whole different matter. The students made changes to their rafts as they discussed and observed what was wrong. As they worked, they discovered ways that the raft could be improved so that it would float. Creating solutions to a problem help the students develop good problem solving skills.

The Kindergarten class made some funky green and black Frankensteins and some awesome spooky ghosts.

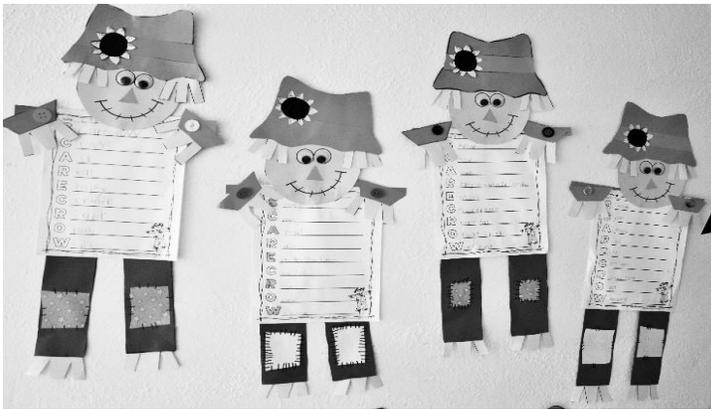

Artwork

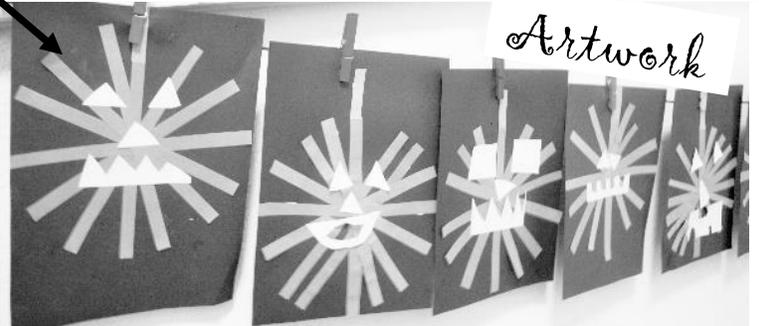

1st Graders made some spooky bats, some fall "hand-tree" projects, and some apples with gummy worms in them.

2nd Graders added orange spokes and yellow facial features to black paper to make Jack-O-Lanterns. They also made some awesome scarecrows.

Artwork

Artwork

3rd Graders made "sequence of events" bats and posters showing the changes from summer to fall.

5th Graders made some really neat trees as well.
