The C/S Theater Department presents the One-Act Play:

Bedtime Stories

(As Told by Our Dad)
(Who Messed Them Up)

Ed Monk

Miss Hanson's One-Act Play cast performed on Jan. 18th in Mitchell. They received 4th place. The following students received outstanding performance awards: Jenna Bamberg, Haley Keizer, Isaac Hinker, Jacob Joachim, & Christian Clairmont. They presented an encore performance on January 23rd, since the regularly scheduled performance was cancelled due to weather. Congrats to Miss Hanson and her cast n crew!

8th Grade Career Fair

Our 8th grade students had the opportunity to attend a career fair held in Wagner. There were many different booths filled by businesses, colleges, and technical schools.

Gone are the days of walking booth to booth collecting pamphlets. This year's career fair was hands on. Some booths included: Lake Area Technical Institute's Dental Assisting Program, South Dakota State University's Pharmacy Program, EROS Data Center, nursing programs, child development, John Deere, South Dakota Highway Patrol, and many more.

Students learned about taking out stitches at one of the booths. They asked questions and learned that doctors place the stitches and nurses can remove them.

Corsica-Stickney graduate Carson Kostal talks to students about the Diesel Power Technology Program at Mitchell Technical Institute.

QUIZ BOWL

The C/S Quiz Bowl team earned 7th place at the quiz bowl on Saturday January 6th. The students lost first round to Gregory 6-3 and this was their second loss of the tournament (they lost to Marion 3-1 in the quarterfinals). The team received \$100 for their efforts in the quiz bowl competition.

Pictured left to right: Abby Dethlefsen, Haley Keizer, Cassidy Clark, Brooke Wieczorek, Landon DeBoer, and Steve Morgan- from Q107, who was in charge of the event.

Previous results for the quiz bowl can be found on the following website- <http://www.q107radio.com/quizbowl/>

Congratulations to Corsica-Stickney senior Landon DeBoer who was selected as Scholar of the Week by KSFY. Landon received this honor for the week of Monday January 15th-Friday January 19th. Landon was nominated by his principal Andrew Fergen based on his commitment to class work, extra-curricular activities, and community activities. He will receive a \$100 scholarship courtesy of Douglas Electric Cooperative. Landon's activities include football, basketball, track and field, golf, FCCLA, and National Honor Society. Along with being an active scholar athlete, Landon has the top GPA in his class which is a 4.09 heading into his last semester of high school. Landon plans on going to Northern State University this upcoming fall and major in accounting. For more information on Landon's award, you can go to the following hyperlink- <http://www.ksfy.com/content/news/Touchstone-Energy-Scholar-of-the-Week-Landon-DeBoer-469438293.html>.

FCCLA

GOLDS ALL AROUND!

Thirty-two Corsica-Stickney FCCLA members attended Region 3 FCCLA Meeting on Wednesday, January 24th at the Mitchell Wesleyan Church in Mitchell, SD. At Region meeting students competed in Illustrated Talk competitions, this consists of presenting an informational speech along with a visual to a panel of judges. Presentors are scored on speech content, presentation, and use of visuals. All members who presented at Region meeting received gold ratings, advancing on to state completion to be held in April in Sioux Falls. At Region Meeting members also attended workshops, competed in a knowledge bowl, and networked. Brooke Wieczorek served as the 2017-2018 Region 3 Recreation Director and was in charge of the meeting entertainment.

The Corsica-Stickney FCCLA Chapter has 42 members and is advised by Mrs. Carrie Kafka. All 42 members will now attend and compete at State Meeting in April.

Right: Mrs. Reichert's 1st graders celebrated the 100th day of school with special activities throughout the day and wanted their picture taken with their "100" glasses and crowns that they decorated themselves.

Left: 3rd graders wrote what they would buy if they had \$100.

Musical Munchkins

Mrs. Davis' Musical Munchkins sang Christmas Carols at the Senior Citizen Center in Stickney.

The Musical Munchkins also performed an exercise ball drumming routine while the band played "Handclap" during halftime of a girls' basketball game in Corsica.

Left: Mrs. Koch's 3rd graders headed to the science lab to learn about life cycles. They studied life cycles of animals, and specifically looked at the differences of complete metamorphosis and incomplete metamorphosis, making an example of each cycle which showed all of the stages of each. They also talked about plant life cycles and planted a seed in order to watch the first steps of germination.

Below: Mrs. Hosman's 2nd graders sporting their 100th day of school glasses! They did special 100 day activities including math and reading assignments. Not pictured: Brayden & Lexi

I have a dream...
That everyone would
live in Peace

I have a dream...
that we should not have war.

I have a Dream...
To find a plant
to cure cancer.

I Have A Dream...
That Scientists will find
A way to cure incurable
sickness

I have a dream
that everyone will
get along.

I dream to make people not to
make fun of people because they
skin color.

The kindergarten and 4th grade learned about Martin Luther King and the important things he accomplished. During our Reading Buddy time we read the book, Martin's Big Words. After discussing what Martin Luther King dreamed, the buddies got together and talked about their hopes and dreams for making their worlds better. Each student made a cloud and on the cloud they wrote their dreams. All of it was put together into a display in the lunchroom.

I have a dream...
People will make better
choices and listen to God.

I have a dream...
to travel under water
and discover a new species of
leaf for the cure of cancer.

I have a dream... that I could help
homeless people.

I have a dream
that everyone would
be kind to each other.

I have a dream...
that every one
will be healthy.

I have a dream
that every person in
the world will go to
church.
