Welcome to the Corsica-Stickney School for the 2018-19 School year.

I would like to welcome everyone to the Corsica-Stickney School for 2018-19 school year. I hope that each of you had an enjoyable summer. It is with much excitement that we look forward to a new year of learning.

Some of the improvements this school year are: Elementary students will all have new promethean technology boards in their classrooms that allow for new touch technology. The Junior High and High School students will notice the halls have fresh paints now in all the rooms. Freshmen will again be receiving new computers to start their high school years and our one-to-one capability is now grades 3-12. Students, this is for you to be able to be competitive learners and we hope you enjoy, appreciate, and take care of the educational tools you have access to. We have also purchased an additional bus to replace the oldest bus in our fleet. The Elementary Buildings in Corsica and Stickney have received new seal coating on the play areas.

Some of our major school goals this year are a 100 % graduation rate. All students achieving success in academics and activities. Our school desires students collectively to score above the state average on the smarter balance tests. We encourage students, as you prepare for your future, to take full advantage of the excellent educational opportunities provided by the Corsica-Stickney Community. It is with great desire that we deliver a comprehensive curriculum to you the students so you can make career choices that allow you to achieve individual success.

Best of luck to 2018-19 Jaguar Community.

*Scott Muckey, Superintendent
Corsica-Stickney School*
