Happy  
Valentine's  
Day

February is National Library Lover's Month! Libraries offer more than just books. They offer books, movies, access to computers, and the opportunity for community education. I encourage you to take your child to an area library and check it out for yourself! You are your child's first and most important teacher. Give them the gift of a lifetime.....teach them to read! Below you will find a checklist of literacy development for Kindergarteners and First Graders. These are the skills that usually develop during Kindergarten and first Grade.

## Kindergarteners

- My child listens carefully to books read aloud
- My child knows the shapes and name for the letters of the alphabet and writes many uppercase and lowercase letters on his/her own
- My child knows that spoken words are made of separate sounds
- My child recognizes and makes rhymes, can tell when words begin with the same sound, and can put together, or blend, spoken sounds.
- My child can sound out some letters
- My child knows that the order of letters in written word stands for the order of sounds in a spoken word
- My child knows some common words such as a, the, I, and you, on sight
- My child knows how to hold a book, and follows print from left to right and from top to bottom of a page when she/she is read to
- My child asks and answers questions about stories and uses what he/she already knows to understand a story
- My child knows the parts of a book and understand that authors write words and text and illustrators create pictures
- My child knows that in most books the main message is in the print, not in the pictures
- My child predicts what will happen in a story and retells or acts out stories
- My child uses what they know about letters and sounds to write words
- My child writes his/her own first and last name and the first names of some friends and family
- My child knows and uses words that are important to schoolwork, such as the names of colors, shapes, and numbers

*Continued from previous page....*

# 8<sup>TH</sup> Grade Career Fair

The Wagner Community Memorial Hospital-Avera sponsored a 10th annual 8th Grade Career Fair on Thursday, January 16, 2020 at the Wagner National Guard Armory. Partnering with the South Dakota Department of Health, the event also included “Camp Med Lanes”, which featured several different healthcare career choices. The event was coordinated by hospital employee, Connie Kaufman RN, BSN.

Eighth graders must select career paths for high school registration; thus, the goal of the career fair is to expose students to the wide variety of educational opportunities and career paths available to them. The emphasis was hands-on activities which were directly related to the promoted careers. A variety of career choices were present, including exhibitors from local and regional businesses as well as South Dakota colleges. Students were able to view the SD Highway Patrol rollover simulator; simulate compounding pharmacy medication; simulate welding; demonstrate sealing a tooth model; demonstrate removing skin staples and stitches in addition to many other hands-on opportunities.

Approximately 400 students participated from 18 area schools. The schools that attended were: Andes Central, Alexandria, Armour, Avon, Burke, Corsica-Stickney, Dakota Christian, Freeman, Gregory, Irene-Wakonda, Menno, Netherland Reformed Christian, Plankinton, Platte-Geddes, Scotland, Tripp-Delmont, Tyndall and Wagner.
