*Summer's  
here*

How is it possible we are already out for the Summer? Your students should have brought home a Summer Reading packet on the last day of school. Students may begin reading on May 17<sup>th</sup> and read until the 1<sup>st</sup> day of school in August. I have explained everything in the letter attached to the packet.

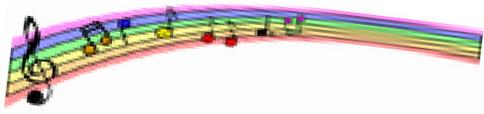

**We do have an added incentive for all students in grades K-5 (during the 2022-2023) school year. The top reader in each class will get to throw a pie at one of the teachers. This will be in addition to the incentives mentioned in the letter attached to the packet. The top reader who reads the most minutes in each class will get to do this when we come back to school in August. Please help us by encouraging your students to spend time each day reading. It will make a huge difference in their academic progress come the Fall.**

Thank you for sharing your students with us this past school year. We had a great year! All of us teachers and staff here at Corsica-Stickney wish you all a safe a fun filled Summer vacation! See you all again in August.

Sincerely,

Ms. Gillette

TO RESIST DRUGS AND VIOLENCE

Aurora County Sheriff, Roman Briggs has been working with Mrs. Hongslo's 5<sup>th</sup> grade class on the DARE program for the past several weeks. The "graduation ceremony" was recently held where 3 of the students were selected to read their end-of-the-program essays. They were Chasity DeBeer, Bristol Nydam and Graham VanGendren. Mrs. Hongslo read the students names as Sheriff Briggs presented them with a diploma and t-shirt.

## Junior Jags Running Club

Nikki Reichert started a running club for younger students to help get them more active and to maybe peak an interest in joining the cross country team someday. May 5, 2022 the Junior Jags Running Club held their end of the season 5k run. This group practiced the past 8wks running after school to work their way up to running a full 5k. The run had them loop through the town of Stickney, completing 3.1 miles. It was a bit of rainy, dreary afternoon, but these kids were welcomed by hundreds of family and friends to help run alongside them or cheer for them along the way. It was amazing, not only to see them accomplish what they worked so hard for, but also all the support from community and family members!

# “Deceiving Granny”

The All-School Play was held in the Stickney gym on May 5<sup>th</sup> & 7<sup>th</sup>. Mrs. Andera directed “Deceiving Granny”, a comedy where a young couple is hoping to inherit a large sum of money, but must first be deemed worthy to receive it. Laughs abound when mistaken identities start to happen and would be robbers target the wrong house.

You did it!

Junior Escorts

Guidance Counselor, Dave Guericke undertook a huge task of making hand prints with the 6<sup>th</sup> & 1<sup>st</sup> grade students. A big thank you to the 6<sup>th</sup> Grade Class for helping to create a plaster of paris hand mold of each of the students in the 1<sup>st</sup> Grade. Each 6<sup>th</sup> Grade student was paired with a first grader, the 6<sup>th</sup> graders mixed the compound and then helped the first grader to imprint their hand into the mold. The 6<sup>th</sup> Graders themselves were also able to create their own molds. Once they were dry, they were spray painted gold.

*"These hands will accomplish many good things in this life because they belong to a very good person."*
