At Corsica Football Field

Cost: \$25

For my senior project I am doing a skills and drills football camp fund raiser for Tennyson Erickson of Platte South Dakota. Assisting me in my plans to help the kids get the best experience possible will be several members and coaches of the DWU football team. They will help run drills for different positions in football. We will also have a snack for the kids and drinks ready for the kids throughout the time they will be there. There is a limited amount of space for this camp so please drop your registration forms off as soon as possible at the Corsica/Stickney High School or send them to :
