- Athletic Directors:** Please give this information to your head coach.
If there are needs for revisions/corrections to this information, please contact Brittney Eide (Region 6B Volleyball Chair).
- Entry Forms:** Rosters for the Region Tournament will be taken off the SDHSAA website. **Important: You must update roster changes throughout the season so that online rosters are current and accurate 5 days prior to the Region Tournament. We need that much lead time in printing programs for the tournament and we want those programs to accurately list your students, team support members, and coaches.**
- Seeding Forms:** Seeding will be calculated on the SDHSAA website by entering scores and wins/losses on your team schedule. **Please make sure that you have all scores entered and up to date to allow as much time as possible in printing the tournament bracket.**
- Admissions:** Adults - \$ 6.00 / Students - \$ 4.00 – Prices are set by the SDHSAA. No one is admitted without a purchased ticket or Region Pass.
- Game Times:** Play in matches will be held on Monday, November 1 with the #8 seed hosting the #9 seed, the #7 seed hosting the #10 seed, with matches starting at 7:00 PM.
Quarter-final matches will be held on Tuesday, Nov. 2nd at the #1 seed and the #2 seed with matches starting at 6:00 p.m. and 8:00 p.m.
The SODAK 16 Qualifier matches will be held at Bonesteel on Thursday, November 4th at 6:00 and 8:00 PM.
- Game/Warm-up Balls:** Teams that host Region matches will provide adequate Baden volleyballs for warmups and an approved game ball. Bonesteel will provide a game ball and warmup volleyballs for the semi-final games.
Revised 7/21 Volleyball - At post-season single match sites (sites where only one match is played), balls will be made available on the court 60 minutes prior to the match time. Nets can only be used during the official 12-minute pre-match warm-up. **NOTE: At multiple region match sites (sites in which there will be more than one contest that day),** teams are allowed to be on the playing court 20 minutes prior to the first match of a session. Volleyballs are allowed at 15 minutes with the regular 6-6 warm-up used for the last 12 minutes.
- Brackets:** Official brackets will be updated on the SDHSAA website by the chairman. The bracket below is the format and dates that will be followed for the 2021 tournament.

Region 6B Volleyball Tournament

Scoreboard & Book:

Each host school will provide the support personnel necessary for the games including ticket takers, scoreboard personnel, announcer, and appropriate custodial staff. Bonesteel will provide ticket takers, scoreboard operators, and announcer at the SODAK 16 qualifier matches. The high seed will be the home team and official book at all Region matches.

IMPORTANT

The Athletic Director of each member school is to ensure that a representative from his/her school will complete a stat sheet for their team and give that stat sheet to the Region chair as soon as possible after games conclude. Also, the host school will send in results to the media. Your assistance is critical in gathering this information so that it can be transmitted to the media and the SDHSAA. Also, the responsible person at each site should text the final score of the game to 605 201-7936 so scores can be entered into the SDHSAA website.
