

Dear Coaches:

April 25, 2022 will be the date for the GPC Junior High Conference Track Meet at Lake Andes.

Start time for field events will be 11:00 PM. **Running Events will start at 1:00. I will need your help to run the meet and any other volunteers we can get.** Below are assignments

All field events will have 3 jumps/throws. No finals.  
Hurdles will be set on the high school girls marks and 30" for both boys and girls.

Ribbons for 6 places/score and a team trophy for the girls champ and for the boys champ.

**\*\*\*We will use the sticker system for running events and field events. Just give your athlete their sticker with the town ID and they can report to their event. You do this also for the field events as well.**
