

Concession Stand Schedule

Parents,

Thank you in advance for all of your help with concession stands this year. We are going to be doing things a little differently having all students 9-12 participate in working at the concession stand. If your child's name has ** next to it, this means it is your turn to work the concession stand with us. If there is a conflict with the schedule, please try to find a replacement as soon as possible and inform me of this change. My cell phone number is listed below feel free to call or text me with any concerns or questions. I look forward to working with all of you. Again, thank you for your help.
