PEP CLUB HELPS BOOST PLAYERS EGO

By Bev Zwart

The Comets entered the first game of the 1973 District Tournaments with lots of pep and enthusiasm, thanks to the efforts of the cheerleaders and student body. On February 20 the girls in pep club came to school donned in oversized white shirts. Throughout the day, these shirts were colorfully marked with signatures and little pep phrases. Along with this, the cheerleaders planned an extra-special pep rally of 30 minutes featuring the Comets' starting five as guest cheerleaders. Everyone carried all this excitement to Chamberlain where we combatted the Plankinton Pirates. After a close game, we fell to the Pirates by a mere two points, but everyone remains proud of the basketball team and their supreme efforts to prove that they are still No. 1.

EDITORIALS

EVEN IF WE LOSE, WE GAIN

Maybe we didn't win all our basketball games and wrestling meets this year, but I still feel that we have gained. Not everyone can win, and we need good losers as well as winners. I feel the Corsica students have worked hard and learned to take defeat with a smile. We have seen some schools show poor sportsmanship to an opposing team and we have learned a lesson from it. Our players worked hard, improved, and never gave up; losing some games by a very small margin.

As many of you know, we lost our first game in the district tournament but the boys played a terrific game and the pep club and band were great. I'm sure their enthusiasm encouraged the players and coach. We can be very proud of our team, pep club, band, and fans. So, even if we lose, we gain. J.H.

School is rapidly drawing to a close, only thirteen more weeks left at this writing, and I encourage all of you students to put forth your best efforts in your studying, make a good showing and bring your grades up. The record you make in high school will be very important to you in future years as well as the recommendations you get on your behavior and attendance in school. So make up your mind to do your best.

Pre-registration will be coming up for your next years courses during the fourth nine weeks.

You students have been doing much better about bringing in those excuse slips and getting your make-up slips in on time. Keep it up! Thank you! Mr. Hall

SPORTSMANSHIP IS IMPORTANT

Congratulations are in order to the basketball and wrestling coaches, teams, cheerleaders and student body for a fine job of performing during the basketball and wrestling season just completed. I feel that the teams improved a great deal as the season progressed, they never gave up once, always trying until the last whistle, they were always hustling and gave it a one hundred per cent all the time. The cheerleaders gave us good leadership and worked equally hard. The student body showed very good support throughout the year. Finally, I would like to complement the student body, cheerleaders, and teams for showing outstanding sportmanship, which I feel is essential in a school. Let's keep it up kids.

I would like to congratulate Miss Hoekstra for being selected as our school representative for the Outstanding Teenager of America with her hard work and participation in school and community functions, she is certainly deserving of it. Keep it up Jean, it will reward you in the future.

by Dale Weerheim

In this issue I would like to thank the cheerleaders, pep club, and fans, on behalf of the wrestling squad, for their attendance and support of the wrestlers at all home and away matches. Next year we all hope to be much better and provide more wrestling matches for your entertainment.

Children's Theater To Perform March 22 and 23

The Comet, Feb. 28, 1973 3

REMEMBER

SAINT PATRICK

by Mrs. Keith
The theater class is ardently at work in preparation for their Children's Theater. As a class assignment, the students wrote a play specially designed to entertain children.

Those involved in the play are Faye, a typical ten-year old American kid, played by Faye Menning. Faye has quite an admiration for Jason, the only colored boy in the gang, played by Doug Brink. Brent Uilenberg shines in his part as Harold, the "kid intellect" of the group. Kevin Van Genderen is Kevin, the brat, while Tom Plooster, named Tom in the play, is the daydreamer with the BIG imagination. Ginger played by Ginger Schrank, giggles and tickles her nose--a lot! Lonnie Van Zee, better known as Cuddles in the play, is the perpetual flirt, while Mike, on the other hand, is a true tomboy, superbly played by Janice Brink. Connie Rexwinkle plays Pee Wee, the shy, sometimes unintentionally forgotten member of

the group. Spot is the local neighborhood pet dog portrayed by Dwight Beukelman. He and Tom are quite good friends and seem to identify on about the same level.

The setting of the play is the club house area and meeting place of this group of nine, ten and eleven-year-old children.

The student chosen as director of the whole show is Dick Bordewyke. Assisting Dick will be Clyde Graumann as student director. Jim Buck is the stage manager and Dave Spaans is the chairman of the publicity committee.

The theater class, taught by Mrs. Keith, is one of the many classes provided for the students in the new English curriculum. Even though this play has been written for children, it is one that even high school students and adults will enjoy. A matinee will be presented for the grade students the afternoon of March 22. An evening performance for the public is scheduled for March 23. Please plan to attend.

by Bonnie De Boer
The national origin of most holidays is forgotten as they get older, but St. Patrick's Day is one exception to this rule. If St. Patrick's Day is mentioned the first thing you think of is Ireland. The next things you associate with it are the color green and the shamrock. Usually, one of the last things you remember about St. Patrick's Day is Saint Patrick.

St. Patrick's Day is actually the feast day of St. Patrick. He was born in England but was captured by pirates and taken to Ireland. After six years of slavery he escaped to France and became a monk. A vision led him back to Ireland, this time as a missionary. There he started over three hundred churches and baptized over one hundred and twenty thousand people.

The fact that St. Patrick was a missionary in Ireland explains why this country is associated with St. Patrick's Day. Green is the national color of Ireland, and the shamrock was used by St. Patrick to illustrate the doctrine of the Trinity. This is why they are associated with this holiday also.

WE'RE PROUD TO LIVE IN SOUTH DAKOTA

by Laura Vanden Hoek

When asked what you think about South Dakota what would be your reply? This is what some people said:
Bonnie De Boer: It's the best part of America.
Linda Van Genderen: A fun place to live
Pam Engelland: I'm proud to live in South Dakota.
Mr. Eitemiller: Heaven help it.

Terry Hall: It would be perfect without band.

Mrs. Keith: I would not live anywhere else.

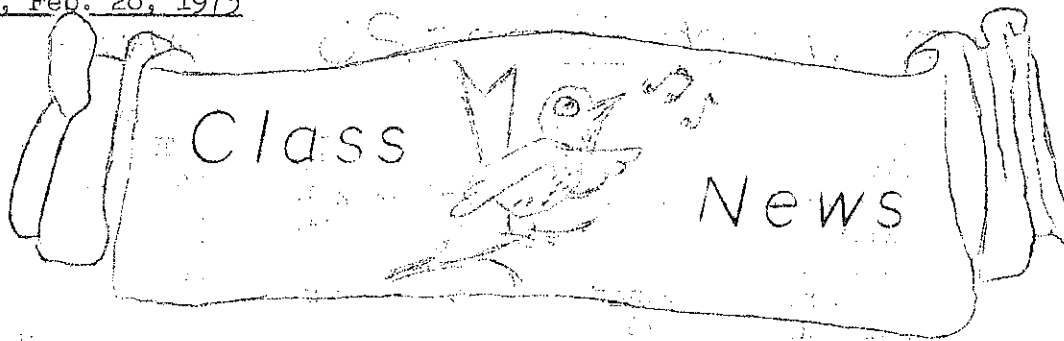

Mrs. Beukelman: It's a real wholesome state.

Renee Tecklenburg: The only place in the world that is really with the program (I think).

Barb Droppers: A great state and I wouldn't live anywhere else.

To sum it up South Dakota is a proud, clean, beautiful, healthy, and fun state.

CHS extends their deepest sympathies to the John L. Rus family of Corsica and the Glen Johnson family of White Lake, parents of Mr. and Mrs. Marlin Johnson of Mitchell who were killed in a one-car accident late Saturday night.

SENIORS ADVANCE

TO FINISH

by Renee Bye

The seniors are still busy raising money for skip days. The slave sales are now over and nearly \$400 was made. Over \$700 has been set aside by the class for skip days.

On February 27, the senior class went to Pierre to visit the capitol and learn more about South Dakota's system of government.

The seniors chose their class colors, flower, and motto. Class colors are maroon and pink; the class flower is a pink rose; and the class motto is "With the ropes of the past we'll ring the bells of the future".

STUDENTS ATTEND

BUSINESS CONTEST

by Marilyn Gerlach

March 23 is the day nine students from CHS will go to Aberdeen to compete with other schools in the Business Contest to be held on Saturday, March 24. The contests are held to find the most outstanding students who have the ability and desire to attain certain goals in the business field. Arleen Spaans and Vernon Heber are chosen from the Typing I class.

Typing II class will send two students who are Londa Gruenewald and Nancy Scholten. Marcia Ligtenberg, Albert Heber and Sam Reimnitz will represent the bookkeeping class. Jean Hoekstra and Phyllis Vanden Hoek are the shorthand students.

FROSH STILL MAKING ADJUSTMENTS

by Pam Engelland

The freshmen are finally getting used to their new lockers. They are proving to be very handy and only a few of the freshmen have lost their keys.

The basketball and wrestling season has come to an end. So the freshmen haven't and aren't going to be very busy. However, there will be school work to do. The freshmen can always keep busy with that!

The junior class is busy preparing for the prom and banquet. The committees have been meeting and making plans for the night when the juniors ask the seniors "To Stay Awhile".

The concession stand has been operated by the juniors at all home games and matches in the past season. This is a project to raise money for the Jr.-Sr. Prom.

SOPHOMORES

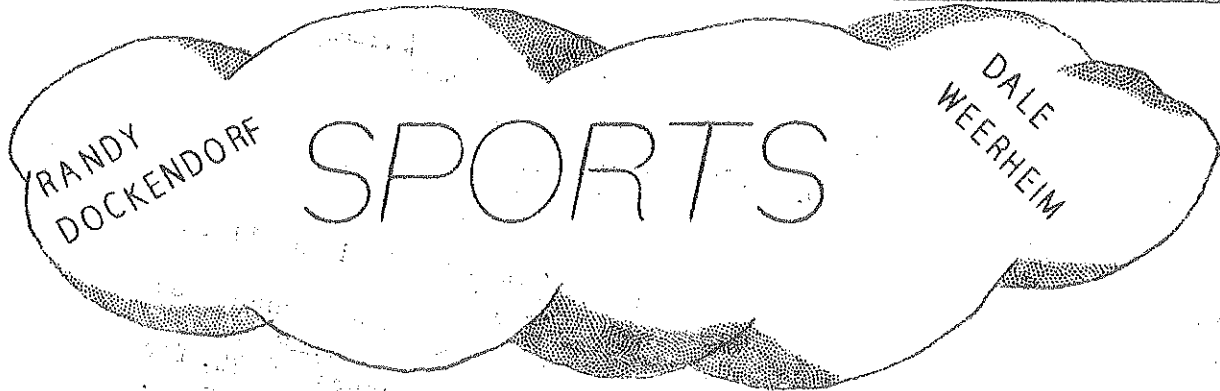

ENJOY BIOLOGY

by Bev Everson

The sophomore biology class has dissected its first specimens. They were an earthworm, a starfish, a clam and a crayfish. Unfortunately we have biology the period before dinner. As of yet, the dissecting has not seriously affected anyone.

This is the first year the sophomores have been required to turn in a term paper. With the papers due February 28, everyone is busy.

Man is a gregarious animal, much more so in his mind than in his body. He may like to go alone for a walk, but he hates to stand alone in his opinions.

WRESTLERS

SUFFER SET BACK

On January 25, the Corsica wrestling team traveled to meet the Mt. Vernon wrestling squad. Again the Comets came short of victory as the Mustangs beat them 14-50. Corsica had to forfeit the heavy-weight class, but got forfeits in return, in the 112-pound class, and the 185-pound class. Kevin Van Genderen pulled in the only other points for Corsica with a tie.

PANTHERS

OVERTAKE COMETS

January 30th saw the Platte Panthers at Corsica for a wrestling match. Corsica tried hard to beat the Panthers, but in vain. Jim Buck was the only Corsica wrestler to get a pin. Curt Graumann rounded out Corsica's score with a tie. Because of Corsica's lack of a heavyweight, Platte received a forfeit for that class. The final score was 8-48.

Comets Have A Promising Future

The Corsica Comets closed out their 1972-73 basketball season with a record of eight wins and thirteen losses. Five of their victories were over non-conference foes Geddes and Delmont, and conference opponents Letcher, Mount Vernon, and Artesian. They also fared well in special games, by defeating Dakota Christian in the Stickney Doubleheader, and knocking off Letcher and White Lake

their best to defeat the Indians but came out of the battle last. Mike Buck, Dale Weerheim, and Randy Olivier were the only Corsica wrestlers to score. Randy received a forfeit and White Lake also had one. The final score came to 15-42.

COMETS FIGHT TO THE FINISH

The Comets fell 76-74 in a high scoring conference game to Plankinton. Corsica was within three, 51-48, after three periods, but the Pirates scored 12 points without an answer to decide the game. Albert Heber led the Comets with 18 points, along with Tom Eggers' and Duane Vanden Hoeks' 12. Russ Metzger took in 13

to win the CBH consolation trophy. They also dropped some games that could have gone either way.

One good aspect of the season is that Corsica only loses two seniors, while Mr. Krietlow has broken in several sophomores who will add to the team. With so much experience returning, there seems to be a great future ahead for Coach Krietlow and his Corsica Comets!

points and 12 rebounds for CHS.

The "B" team broke away from a close first half and dumped the little Pirates 62-42. The Comets placed four men in double figures.

They were Scott Beukelman, Kent Fisher, Curt Muihlenberg, and Randy Olawsky, with 15, 12, 11, and 10 points, respectively. Arend Kuyper led the rebounding with 11.

COMETS DISPOSE OF MUSTANGS

Corsica picked up a CBH win by downing Mt. Vernon, 69-58. The Mustangs had a hot shooting hand, and took the lead, 42-41 late in the third quarter. However,

the Comets turned the table in the final period by hitting some key baskets while MVHS went cold. Corsica outscored the host 22-14 in the fourth quarter to lock up the victory. Tom Eggers and Dick Bordewyk scored 22 and 10, with Russ Metzger adding 19 points and 15 rebounds.

The "B" team was shaky in the first half, but exploded for a 55-36 win. Kent Fisher and Scott Beukelman led with 18 and 13 pointers, respectively. Mike Noteboom collected 12 rebounds.

RAIDERS DEFEAT

COMET TEAM

Stickney proved to be too much as they chalked up a 73-46 win and sole possession of the CEH title (8-0). Cold shooting by the hosts gave the Raiders the needed start, as they gathered momentum as the night wore on. Russ Metzger provided the Comet attack, 14 points and 12 rebounds.

The "B" didn't fare much better as a fourth quarter rally put the Little Raiders on top, 48-39. The Comets led most of the way before going cold. Scott Beukelman and Arend Kuyper were tops with 12 points and 7 rebounds, respectively.

COMETS FALL

game. Tom Eggers led off offensively with 22 points. Russ Metzger and Mike Noteboom shared 10 and 9 rebounds, respectively.

A second half really fell short for the "B" in a narrow 45-43 loss to Andes. A last second attempt wouldn't go in, leaving the Eagles as winners. Scott Beukelman and Arend Kuyper contributed 16 points and 13 rebounds, respectively.

INVITATIONAL

On Saturday, Feb. 3, the Comets attended the Mt. Vernon Invitational. There were six towns, including Corsica, that participated in this event. They were Avon, Corsica, Kimball, Mt. Overall, Corsica placed fourth at the invitational.

The "B" team surprised Armour's by beating them on their home court, 38-34, for the second time this year. Two free throws by Arend Kuyper was what decided the contest. Arend Kuyper led the Comets with 12 points and 10 rebounds. Kent Fisher was next with 10 points.

12-0 record. The Comets had three wrestlers who scored points for Corsica. Jim Buck and Kevin Van Genderen both pinned their opponents. Dale Weerheim received a forfeit in the 167 lb. class. At the end of the match, the scoreboard showed 18-45.

COMETS SMEAR

THE RAMS

If the gym smelled like sheep, it was probably because Corsica was smearing the Artesian Rams all over the floor by a score of 83-52 in the season final. The Comets jumped out to a 6-0 lead and were never threatened throughout the game as they built their lead. In the second half it was just a question of how big of a victory Corsica would have. Tom Eggers had a hot 29 points followed by Mike and Russ at 15. The pair also grabbed 11 and 10 rebounds.

The "B" dropped a 49-47 decision to Artesian in a nip-and-tuck affair all the way. They put up many tries in the final seconds, but couldn't get one to tie the score.

WHY THE WAR?

by Phyllis Vanden Hoek

Why the war, tell me please
Why this fighting all the time?
Instead of people having teas
They must be involved in a crime.

Why do men have to die
Is it just to keep our pride?
The time is drawing nigh
When everyone will be at the battleside.

As a soldier sees his buddy fall
He thinks 'It could have been me.'
While people here are having a ball
The soldiers ask, 'Why must this be?'

There's a war here in our own country
Let us fight that one first.
Why must this always be
For death, some people have a thirst.

When will this dreadful thing end,
Must it go on forever and ever?
The more soldiers overseas we send
The more to get killed by the pull of a lever.

How do you think the parents feel
Whose boys must go off to war?
What do you think of this deal,
Is it a pleasure or a chore?

Parents Recognized

by Lowell Bye

On February 5, 1973, parents of the Corsica High School wrestlers were recognized. The wrestlers and their parents were introduced during the intermission between the "B" match and "A" match. There was a good attendance for the final match of the season and nearly all the parents were there. After the match, the parents and wrestlers were served a lunch of taverns, pop, and coffee. It was an enjoyable evening for everyone on the squad.

BEWARE OF THE 'IDES OF MARCH'

by Londa Gruenewald

Are you aware of the "Ides of March?" This was a term used in the Romans calendar system. The calendar had three fixed days in each month. They were the calends, the nones, and the ides. The calends were the first day of the month, ides were at the middle, either the 13th or the 15th, and the nones were the 9th day before the ides. Days

national honors and scholarships totaling \$7,000. Local nominee is Jeanne Hoekstra.

Nominated by their Principals, the Outstanding Teenagers of America are chosen from individual schools across the country for excellence in academic achievement and community service. The local students will now vie for the Outstanding Teenager of the Year trophy to be presented by the state's governor. Similar trophies will be presented to the winners in the other states. The state winners are selected by the Outstanding Teenager Awards Selection Committee, in cooperation with the Board of Advisors.

The 51 state winners will be eligible for awards totaling \$7,000. One boy and one girl will be chosen for national scholarships of \$1,000 each to be used at the college or university of their choice. Ten regional winners will also be selected from the remaining state winners to receive \$500 regional scholarships.

In recognizing the special talents of these Outstanding Teenagers, author and entertainer, Arthur Godfrey, said... "You are an inspiration to your elders as well as your peers; ...I hope you will eventually be as proud of us as we are of you."

These Outstanding Teenagers also have the "opportunity to become great national leaders and doers," President Nixon said in a congratulatory message to the nominees.

'THE DAY'

(Theodore Spencer)

The day was a year at first
When children ran in a garden;
The day shrank down to a month
When the boys played ball.

The day was a week thereafter
When young men walked in the garden;
The day was itself a day
When love grew tall.

The day shrank down to an hour
When old men limped in the garden;
The day will last forever
When it is nothing at all.

PARENTS ACKNOWLEDGED

by Albert Heber

Parents Recognition Night was held February 16 at the home game with the Artesian Rams. Prior to the game, the parents of the players and cheerleaders were publicly recognized. Everybody was asked to stand with their sons and daughters on the court. As a result the main working force which made possible Corsica's basketball program was shown as one group. Surely the parents worked just as hard as the students did during the season. They weren't disappointed for the Comets came off with a big victory against the Rams. Lunch was served after the game.

between the nones and the ides were called the days before the ides. The "Ides of March," a term widely known, was the day on which Ceasar was assassinated, March 15. So when the soothsayer told Julius to "beware of the Ides of March," he meant a definite day. An old superstition set the Ides of March as a day of bad luck.

Happy Birthday Pisces -- ♉

If you were born between February 18 and March 19 you are under the sign of the Fishes.

Pisces is often referred to as a notable sign. Your personality changes as often as your environment. You are extremely moody and may run the gamut from complete despair to ecstasy in the course of any given day. So acute is your adaptation to people and surroundings, that you are often described as emphatic. You should learn to keep others from having such a strong emotional hold on you.

As a Piscean, you have a tremendous ability to turn imaginative ideas into performing principles for today's world. Such a man was the Piscean, Albert Einstein, whose theory of relativity gave birth to modern physics.

Music is an important ingredient in your life because of its soothing and healing effect on your easily disturbed emotional nature.

America Honors Past Presidents

by Gloria Spaans

The United States, this past month, has observed the birthdays of our two most famous presidents, George Washington and Abraham Lincoln.

George Washington was our first and one of the greatest presidents of the U.S. He was born on February 22, 1732. He died in 1799 leaving the nation great memories.

Abraham Lincoln, born February 12, 1809, made him, self known by freeing the slaves and writing the Gettysburg Address. He was our sixteenth president and the first elected by the Republican Party. He was considered our greatest President.

All governmental business places were closed Monday, February 12 and 19 in the honor of Abe Lincoln and George Washington.

Student Council Makes Plans

The Student Council members met with their advisor, Mr. Hall, on February 12. They discussed the possibility of sponsoring a Sweetheart Ball or a Spring Dance sometime in March. The date was set for March 16 and secretary Jeanne wrote a letter to ask "Peace", a local band from Mt. Vernon, to perform at the dance. Unfortunately, the band can't make it on the 16th so another meeting will be held to make further plans.
