

CORSICA HIGH SCHOOL HIGHLIGHTS

APRIL 19, 1968

7th & 8th Are Entertained

On April 17, 7th and 8th grade visitation day was held. This day gave the students a chance to visit school, to become acquainted with secondary classes, and to get acquainted with other students.

After a free lunch, track and field events were held, followed by a presentation of the senior class play, "The Egg and I". The day ended with treats for all.

Region 5 Music Contest Held

On Friday, April 5 at 7:15 a.m. the two glee clubs, mixed chorus, and the band left on two buses to attend the Region 5 music Contest at Mitchell.

The boy's glee club received a second rating. The girl's glee club and mixed chorus both received third rating. The band received a three plus rating. Everyone enjoyed the day.

Vacation Enjoyed

The students of Corsica Public School were dismissed on Thursday at 2:00 p.m. School resumed on Tuesday, April 16. All the students enjoyed the vacation.

Students Injured

On April 7, several students were in a one-car accident 11 miles north of Lake Andes.

Those in the car were Jill Teeselink, Jolene Flooster, Brent Beukelman, Ralph Starckenburg, Mark Van Zee, and Gaylen Vander Pol.

Hospitalized were Jill, Ralph, and Mark. All are feeling better and hope to be home and back in school soon.

Staff Recruits New Members

Since the school year is coming to a close, it is time for the paper staff to think about getting experienced reporters for next year, so this issue of the paper was compiled and edited by the sophomores and juniors.

18 Attend Convention

On April 20, 18 juniors and seniors will attend a mock convention at the University of South Dakota at Vermillion.

The students will vote on various issues of political interest.

Father to daughter's suitor: "My daughter says you have that certain something, but I wish you had something certain!"

Boys Stater Selected

The American Legion has named Alan Hoekman as the 1968 Boys Stater from Corsica High School. He is the son of Mr. and Mrs. Stanley Hoekman. Alan is active in band and chorus.

Jay Wayne De Waard, son of Mr. and Mrs. Corstiaan De Waard, was selected as alternate. Jay is active in sports.

"The Egg and I" Presented

By Gail Ommen

The senior class presented the play, "The Egg and I", Thursday night in the school auditorium. It was a two-act comedy with three scenes in each act. The play takes place in the present, and the setting is in the kitchen of an old-fashioned house on a chicken farm. The main characters in the play are a family of four. They are Wesley Starckenburg as Don McDonald, the father and the owner of the chicken ranch; Barb Bormann as Betty, Don's wife; Fran Beukelman as Ann, the elder daughter; and Janice VanRoekel as Joan, the youngest daughter.

The cast portrayed the parts very well, making the play a success.

The final presentation of the play will be at 8:00 tonight.

DRIVER'S ED

by Sandra Bamberg.

START DRIVERS USE SEAT BELTS

A belt helps prevent being thrown forward toward the dashboard. For example, even if your head does hit the dash, with a seat belt the blow is not nearly so hard. That can mean a minor injury instead of a major injury, living instead of dying.

You are much safer inside the car. A seat belt will help keep you there. In the Cornell study, 12.8 per cent of car occupants ejected through open doors were killed, but only 2.6 per cent of those who remained in the cars were killed. Thus, the risk of death is 5 times greater for those thrown from the car. Even inside the car, you are safer if you are held in place by a seat belt--as much as 60% safer. But always remember--seat belts are no substitute for careful driving!

Coming Events

AApr. 25-Spring Ban Concert
26-Track meet-Tyndall
30-Carnival
May 1-Grade solo contest
at Avon
2&3-Skip Day

Small boy to chum: "So that's it. I always figured the stork had too short a wingspread to carry an 8-10 lb. load."

EDITORIAL

DOES IT AFFECT YOU?

by Mavis Reimnitz

Martin Luther King's death probably only mildly interests you. After all, it doesn't really affect you, for you don't live in Chicago, Detroit, Memphis, Washington D.C., or any other large city where there are riot problems.

His death may have been caused because a lot of Negroes and illiterate whites weren't sensible enough to solve their own problems by peaceful means; but then again, the cause may be much more than that. Anyway, whatever the cause, it is everyone's problem, the whites as well as the Negroes'. It is a great setback to our nation, for how can we talk about peace to other nations when there is disorder in our own nation?

If there is righteousness in the heart,
There will be beauty in the character.
If there is beauty in the character,
There will be harmony in the home.
If there is harmony in the home,
There will be order in the nation.
If there is order in the nation,
There will be peace in the world.

A HAPPY OCCASION

Just think! In a few more weeks school will be out. Everyone is counting the days as they slowly go by. Juniors and seniors are anxiously waiting for the prom. Soon the seniors will be going on their skip day; soon the rest of the students will be taking semester tests.

When that day comes, which it will, there will be no more studying for tests, no more teachers telling us to shut up and get busy, and no more spending hours after school! We will be able to do what we want to do. After school we can start to live! Really live!!

SENIOR INTERVIEWS

Track Meets Held

MAVIS VANDEN HOEK

LERRY RUS

On January 28, 1950, Mavis Vanden Hoek was born to Mr. and Mrs. A. C. Vanden Hoek at Armour.

Mavis has reached the height of 5' 4". She has green eyes and brown hair.

Some of her favorites are teacher: Mr. Doran, subject: sociology, food: pizza, drink: Popsi, movie: To Sir With Love, actor and actress: Elvis Presley and Hayley Mills, song: "Honey".

Mavis thinks CHS is a great school but could stand improvement.

Her pet peeve is people who are two-faced.

Mavis plans to attend college in the future.

Dear Lucy

(quoted from Teen magazine)

Dear Lucy,

I'm going steady with a guy I like a lot, but ever since I started going with him he never gave me a ring to wear. I don't really know if he has one though because I never saw him with one. Without one I feel I'm not going steady so I was wondering if it would be right to ask if he has a ring.

Wondering

Dear Wondering,

No. If you have to ask for his ring, you don't want it.

Dear Lucy,

I need advice. I'm 16 and scared to death of boys. That's really rough. I don't know what to do. Every time I get close to a boy, any boy, I get all shaky. I can never talk to a boy without getting embarrassed over nothing. I turn a deep deep shade of red at anything a boy says or does.

Scared

Dear Scared,

Just remember that boys get into their trousers one leg at a time, just like all the rest of us human beings.

Lerry Rus was born June 3, 1950 at the Methodist Hospital at Mitchell to Mr. and Mrs. John L. Rus. Lerry has now reached the height of 5' 11", has green eyes and brown hair.

His favorite food is pizza and his favorite drink is coke. His favorite subject is shop. Some other favorites are as follows:

Actor: Dean Martin

Actress: Ann Margret

Movie: Texas Across the River

Song: "Love Is Blue"

Lerry stated his favorite pastime is "trying to stay out of trouble".

The only people that Lerry doesn't like are people who think they are better than everybody else.

In the future he plans to work and maybe go on to school.

The C.H.S. track team has been very busy the past two weeks participating in several track meets. April 6, at Vermillion, Doyle Bertram placed 4th in the 100 yd. dash and Harlan Wolbrink placed 4th in the low hurdles. No one placed at the Pierre track meet April 11, but Mr. Selchert said they all ran well. April 13 at Winner Doyle again placed 4th in the 100 yd. and also 3rd in the 220 yd. A new school record was set at Redfield, April 16. Dwight Bordewyk, Jay De Waard, Rob Gruene-wald, and Ronnie Vanden Berg ran in the two mile relay and set the new record at 9 minutes and 17.6 seconds. Doyle B., Harlan W., Gerald Teunissen, and Dwight B. also placed 5th in the Medley Relay.

HAPPINESS IS:

- ...finding a thousand dollars
- ...being happy
- ...having a best friend you can tell all your problems to.
- ...getting home late and being able to sleep late the next morning.
- ...being with friends and having a riot!
- ...being able to chew gum in school.
- ...the joy of having a date to the prom.
- ...a groovy girl.
- ...a driver's license.
- ...as happiness does.
- ...people enjoying themselves.

DEDICATIONS

by Bev Neugebauer and Sue Droppers

"Guitar Man" and "She'll be Waitin' in Denver-to Gerald T.

Your Horoscope

March 21-April 29

Plan your schedule so as to allow for handling, not only essentials, but some unexpected activities. Be realistic, too. Do not confuse wishful thinking with inspiration.

April 21-May 21

Be prepared for some opposition now and be ready to counter with appropriate measures. If well planned in advance, you could launch a new venture but don't rush headlong into the unfamiliar.

(taken from Sioux Falls Argus-Leader)

Grade News 1st & 2nd

Our room and the third and fourth grades are busy preparing a musical program that they will present for the carnival on April 30.

Sheryl Beukelman and Scott Muckey are our candidates for the carnival.

We have completed quite a number of our books in both grades and are doing some work of the grades we will be in next year.

We are having fun in language classes with puppets. We made the puppets and wrote our own script.

We were sorry Mona and Laura were sick. We are glad they are well again.

Sympathy is extended to Elaine and Glenda Vanden Hoek in the death of their grandfather.

7th & 8th

The 7th graders are very busy studying about decimals and ratios in math. They are learning about electricity and magnetism in science. In geography they are finding our many interesting facts about Norway, Sweden, Finland, and Denmark.

The 8th graders are learning about the structure of the earth in science. In civics they are studying about how taxation pays costs of the government.

Congratulations to the winners of the flag etiquette contest who were Carla Wagner first and Bev Zwart second.

The birthdays for this month are George Romkema April 17, and Glen Herrig April 21.
