Senior leaving school: I'm indebted to you for all I know.

Prof. Saevig: Don't mention such trifles.

That by which the Seniors may be indentified:

Keith: You look wise, pray correct the error.

Ernest: All the world loves a lover.

Roy: He hath a face like a benediction.

Anna: He's a fool who thinks by force or skill

To turn the current of a woman's will.

Keith: Wonder what would happen if we agreed on the Senior Average.

Harold: One of us would be wrong.

A new society has been started in the Corsica High School. It has 26 members--Alpha-bet.

The reason the Seniors don't have red hair--ivory can't rust.

Roene: What would have happened if the Seniors had held a "sneak day?"

Lee: Aw! The next noon there would be four corpses strewn about the assembly, which would resemble the "class of 1926."

Ernest- I say, it's raining.

Roy- Naw, that's just the wave length of the grapefruit I am eating.

Helen- Do you want to hear my new record?

Genevieve- What?

Helen- No, Who.

Prof. -- You can't sleep in class.
Keith -- I know it, I've been trying it for half an hour.

Mrs. Taylor -- What is a satire?

John De Beer -- It's some sort of a precious stone. I don't remember the color.

Beatty- What is the height of your ambition?

Ernest- About five foot eight.

The Pencil has made quite a number of pointed remarks about the sponge being soaked all day and the waste basket being full. The scissors are cutting up and the paper weight is trying to hold them down, while the paste is sticking around to see the stamps get a good licking. The ink's well but appears to be blue, while bill is stuck on the file and the calendar is looking fresher after having had a month off. The blotter is lying around taking it all in.

WANTED- A few good printers.

Mr. Taylor

Lost- A step to the Charleston.

Keith Gillette

Found- A ten-cent gold ring.

Henry, why are you not writing?

Henry- Ain't got no pen.

Teacher- Where is your grammar?

Henry- She's dead.

Ted- I slept like a log last night.

Len- Well, gosh you had a head start.

"What is the name of the species I have just shot?" demanded the amateur hunter of his guide.

Guide- Well sir I have been investigating and he says his name is Smith.

Roland (to librarian)- What kind of magazines have you?

Librarian- The World Review is the best.

Roland- No, I don't want to travel that far.

Arthur; hearing Roland jingling wire staples which he had in his pocket. "what have you got there. Your staple income?"

Laura: A stitch in time saves nine.

Bernice: Let 'er rip.

**Seniors To Present C.H.S.
With Class Picture**

The Seniors plus the other members of the play cast, chaperoned by Mr. and Mrs. Taylor journeyed to Geddes about the middle of April for the purpose of having their photos taken.

While the Seniors posed the rest of the party visited the Jones Drug Store, then hastened to the studio. Soon the photographer snapped a picture of "Jabos" "Ottos" "Katrinas."

All enjoyed the trip but best of all are the resulting photos. The Seniors have presented the C. H. S. with a framed picture of the class of which the school can well be proud.

Bernice Wins Prize

(Con't from page five)

Contest', giving prizes weekly for the best snapshots of school life submitted. Bernice took up the idea immediately and was rewarded by winning the first prize offered.

The picture will be published in the May 10th issue of the magazine. As it goes all over the U.S., Corsica High School will receive more publicity and advertising than ever before.

We congratulate Bernice.

We thank our local contemporary THE CORSICA GLOBE, for the splendid write-ups it has given us this past year on school hap-

penings. However, we wish it would get the baseball scores correct. The score of the last Wagner game was 10-4 in Wagner's favor, not 8-4.

We hope the GLOBE will give us honorable mention on this final issue of the WOODEN SHOE printed entirely by the students of the printing class. If you need any good printers, we have eight of them, highly skilled in the art, and any of them would be a credit to any institution.

**Sup't. J. C. Lindsey
Commencement Speaker**

Commencement Week will be ushered in on Sunday evening May 9, when the Baccalaureate exercises will be held in the Grace Reformed church, the address being given by Reverend Wm. Duven.

The Commencement exercises will be held in the Oddfellows Hall on Friday May 14. The principal speaker will be Supt. J. C. Lindsey of the Mitchell schools. A fine musical program has been arranged.

The interim of the week between these two important days will be spent in putting the finishing touches to the school year. The final examinations will be held on Tuesday and Wednesday. On Friday morning the Report Cards will be distributed. They will have to be returned at one o'clock the same day because they are to be kept on file during the vacation.

1926 Baseball Resume

The Corsica High baseball team has played seven games of baseball so far this year, having won four and lost three. The first game of the season was played in a snowstorm which is a new record for our high school baseball team.

The scores of the games this year are as follows ;

Played at home.

Corsica 5	Ethan 4
Corsica 6	Armour 5
Corsica 9	Armour 13
Corsica 4	Wagner 10

Played away from home.

Corsica 8	Ethan 3
Corsica 4	Armour 0
Corsica 3	Wagner 11

We still have one game to play
(At Armour May 11th.)

THE WOODEN SHOE wishes to take this opportunity to thank all those business men who, by giving us their advertising, have helped to make this Senior edition of our paper a success.

THE STAFF

**Corsica Schools Celebrate
First Annual Play Day**

The Corsica Public School, assisted by the Priscilla Club, instituted another annual event with the celebration of the "First Annual Play Day" on May 1st.

The leading events of the day consisted of a number of athletic contests, races (foot, bicycle, tricycle, coaster wagon, three legged) and other interesting events. Fred Bruekelman was master of ceremonies. Many prizes were donated by local merchants, and were given to the winners of the contests.

In order to supply the epicurean demands of the children and their parents, the High School Baseball team erected a canteen on the grounds and sold lunches and ice cream. Some eight dollars was cleared and will be used to defray expenses of the team.

A large number of townspeople attended the affair, but because the day was so hot and dusty, only a few country people came out.

Much credit for work done goes to Arthur Scholten and Richard De Heer for the erection and management of the lunch stand and to certain members of the Junior class for their able assistance.

We hope that in future years many more of these Play Days will be held. They provide excellent means for everyone to become better acquainted.
