### SANDY, ALAN NAMED ROYALTY AT CORONATION CEREMONIES

### Billars Presents Slides, Talk

The first assembly program of the year was held Tuesday, Sept. 23, when Mr. Billars, CHS principal, showed slides and gave a talk about his trip to the Naval Academy, Annapolis, Md. Many of the students found the assembly very interesting, as Mr. Billars told about every aspect of the academy; academic life as well as social and athletic activity.

### SCHOOL DISMISSED

The students who were downtown Tuesday afternoon at 1:30 weren't skipping school! School was dismissed early so the students of CHS could attend Corn Palace. Many students took advantage of this time to go to Mitchell.

### WELCOME BACK

The students of CHS would like to welcome back after an absence of two weeks due to illness the shortest member of the senior class, Bev Neugebauer. She returned to CHS Tuesday.

### TODAY'S EVENTS HIGHLIGHTED BY PARADE, GAME

In all its splendor and excitement, Sandy and Alan were chosen queen and Marshall of the 69-70 homecoming.

Following the coronation the snake dance and bonfire were held which were a big success and really raised the spirit of CHS.

A big thanks to all the people who gave of their time and effort.

This afternoon at 2:00 the classes and organizations will take part in a parade through Corsica's main street, with the CHS band providing the music. The theme for the parade is "Commercials", and the seniors have chosen "Avon Calling" to carry out this theme. "Comet Fever" is the choice of the juniors. The sophomore float will use "Comets, the Hottest Team Going", and the freshmen will have "Let's Raid Avon."

The homecoming activities will culminate in the football game at 7:30 p.m. with the Avon Pirates as the visiting team.

After the game, the gym will be the scene of the annual homecoming dance, with the "Wizards", a group from Southern.

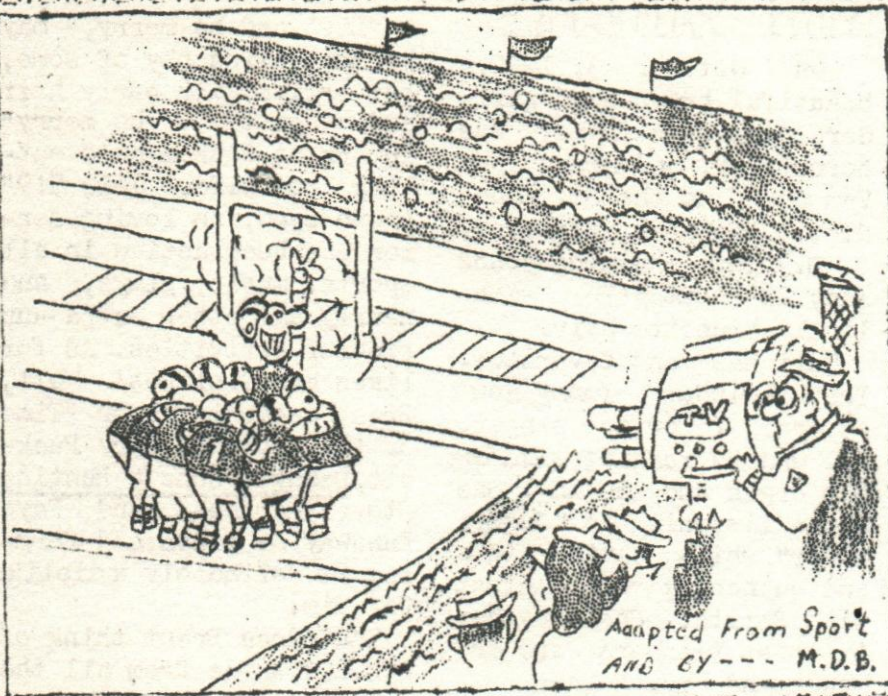

By Gordon Heber  
 Avon's coming! Pirates on the road! The only thing they want from Corsica is a victory, and since we're fresh out, we're going to have to give them something else. Like what, you say? Well, we can give them the road back, because all they're going to get from the Comets is a beating. Yes, the Pirates belong in the sea, and the way it looks to me, they are in for some rough water. It just seems that they're going to have to bury their gold elsewhere. What those innocent Pirates don't know is that today is our homecoming, and that we have powder for our cannon.

If we expect to come out on top tonight, we're going to have to do some fighting. If we do the fighting, I'd say our Comet is going to burn a hole right through those Pirates! Let's show 'em!!

# COMETS LOSE TO BONESTEEL

The Bonesteel Tigers proved to be too much for the Corsica Comets as the Tigers came out on top, 18 to 14 Friday, September 19, at Bonesteel.

The Comets fell behind 12-0 in the first quarter, but Gary Olawsky found a path to the goal line from 25 yards out to put them on the scoreboard. Roy Beukelman put the Comets in the lead in the third quarter by pushing his way in from the eight yard line. The Comets' lead was short lived as the Bonesteel Tigers crashed

through with the winning touchdown late in the third quarter.

Rich Pistulka and Kevin Schoskenmaier scored from 15 and 30 yards respectively for Bonesteel while Stan Cerny, Dwight Pepper and Jerry Schomebaum did the fighting.

Gary Olawsky, Dave Markus and Von Denning did a great job defensively for the Comets.

# SENIOR INTERVIEWS

BRENT B.

## ALAN ZWART

The place: St. Benedict's Hospital, Parkston, South Dakota

The date: November 11, 1951

The event: Alan Zwart Happening

Yes folks, on that fated day in history a tiny baby who is now a 5'10" tall, 162 lb., curly haired senior at CHS made his debut. Mr. and Mrs. Melvin Zwart, the proud parents, named their bundle of joy Alan Mark.

Today, this all-around good guy would like to state some views. Alan's pet peeve is "girls with big mouths." When a girl with a big mouth comes along Alan leaves to console himself with his hobbies, which are collecting wrecked cars and bumping into other people's cars, or with his favorite sport, which is baseball.

When Alan has a free evening he can be found groovin' to the sound of his favorite song, "This girl is a Woman Now," or attending a movie. Being a gentle, quiet person, Alan found that the show, Pardon Me But You've Got Your Teeth in My Neck was very intriguing. Paul Newman and Patty Duke are his favorite in the line of acting.

When it comes to food, steak and Pepsi are tops with Alan.

In school, he may be found studying English, which is his favorite subject, and giving his full attention to Mr. Kulhavy, who is his most admired teacher.

After graduation from CHS, Alan plans to go on to college. He figures (cont'd to col. 3)

## GERI VANDYKE

On October 3, 1952, a beautiful, brown-eyed girl, Geraldine Van Dyke, was born to Mr. and Mrs. John Van Dyke at the St. Benedict's Hospital, Parkston, S. D. This charming young lady is about 5'7" with lovely brunette hair.

Geri has many favorites. They include: Tommy Row as her favorite singer. She enjoys reading, playing the organ and singing. She likes listening to "Sugar, Sugar" while eating pizza and quenching her thirst with Sprite. She says her two best teachers are Mr. Kruse and Mrs. Hughes.

This fascinating young lady is active in declam, drama, pep club, mixed chorus, girls chorus, All State and is treasurer of the senior class.

Geri's pet peeve is kids who think they're cool and are stuck-up!

Her opinion of CHS is "It's the greatest and the neatest with the best and the friendliest bunch of kids!" She says: "I love it!"

In the future Geri would like to be a music teacher but she is undecided about it.

## PAUL HERRIG

Three days before Valentine's Day, on February 11, 1952, one of our Homecoming candidates entered this world. By coincidence, he was Sweetheart King for his sophomore year.

In his senior year, Paul Wayne Herrig believes "we should make the best of what we have."

Paul has no favorite teacher but Human Anatomy is his favorite subject. He takes an active inter- (cont'd col. 3)

"Live and be merry," may be the philosophy of some, but "live with curly hair and then try to be merry" is Brent Beukelman's outlook on life. This 5'9" brown eyed, fun loving senior has been active in all sports, music, plays, and nearly all other extra-curricular activities. As for likes and dislikes! Well, Brent seems to favor "Time of the Season," Gary Puckett, Daddy's Gone a Hunting Steve McQueen, and Faye Dunaway as likes; and farming is definitely a dislike for him.

What does Brent think of C.H.S.? Aside from all the normal gripes of CHS students, he likes it and says "It's got all the other schools around here beat," with which this interviewer agrees wholeheartedly.

est in CHS as he belongs to Boy's and mixed chorus, Drama Club and band. He also plays football, but thinks CHS could be a better place by adding wrestling facilities.

Paul dislikes people who are conceited. He says, "even though they are pretty good, they don't have to tell everybody."

Catching flies seems like a weird pastime, but Paul likes this avocation and lists it equal to eating and sleeping.

"It's a great school made up of the best kids" is the way Paul expresses his opinion of CHS.

(cont'd from col. 1)

his future is going to be pretty cool if he sticks to his philosophy of life, "If there were more girls in the world?" Alan says he is going to remain a bachelor, but not forever.
